

Jesus *in the* JEWISH FESTIVALS

“These are the Lord’s appointed feasts, the sacred assemblies you are to proclaim at their appointed times...” *Lev. 23:4*

The Jewish festivals were familiar to Jesus and an important part of His life. Not only did Messiah celebrate them but the Jewish feasts are pictures which, when woven together, point to the One who came to be the ultimate fulfillment of God’s prophetic promise. Come learn the significance of the Jewish holidays and how God’s biblical plan of redemption is revealed through them in, “Jesus in the Jewish Festivals”.
